Commitment to Membership Responsibilities for the DC Coalition of Disability Service Providers

The DC Coalition of Disability Service Providers is a professional organization that provides support and services, consistent with choice, to people with intellectual and other disabilities. The Coalition advocates for the most promising practices in the industry and serves its members by ensuring continuing progress toward greater quality of life for those with intellectual disabilities and other disabilities who reside in and around the greater Washington, D.C. area. The members of DC Coalition are committed to offering the highest quality, person centered service which has established the District as a national leader in the field.

Member agencies commit to the DC Coalition of Disability Service Providers Guiding Principles as part of their commitment to quality:

- Members maintain the highest standards of professionalism and ethical business practices.
- Members provide individualized support services which emphasize choice, self-determination, inclusion and respect for each person supported while maintaining privacy and confidentiality.
- Members strive for inclusion of all people in their local communities and at large.
- Members recognize that they are part of a nationally-recognized service system and endeavor to support one another while they work to advance service quality, public awareness and the public image of the field.
- Members will hold in confidence, information which has been specifically stated as confidential.
- Members will work collaboratively to ensure a professional environment in which differences of opinion are respected and there is professional communication by and between members.
- Members commit to active participation of their designated representative in monthly and special Board meetings.
- Members and their staff commit to active participation in association committees and work groups.

All Member Organizations will provide input and information to the Coalition on a routine and emergent basis including:

- Responses to questionnaires and surveys disseminated by Coalition leadership and other data collection efforts;
- Input on key topics and issues; and
- Other areas which directly or indirectly impact Coalition members or persons with disabilities served by the members.

Each Member will designate a senior staff person (preferably the Executive Director/President/CEO) to represent the Member organization at Coalition activities including attendance at board, membership, special, and committee meetings.

As the Executive Director/President/CEO of _____, I agree to the Commitments outlined above as a member of the DC Coalition of Disability Service Providers. In doing so, I make full assurances that _____ is committed to the DC Coalition’s guiding principles and the expectations of member agencies.

Certifications

1) I have agreed to and have executed the Commitment to Membership Responsibilities statement noted above which constitute a requirement of this Application submission.

2) I recognize that Coalition membership is based upon DC-based revenue for services provided. I hereby certify that the financial information accurately reflects the revenue for our agency for the purpose of calculating DC Coalition Membership Dues. (Certification must be completed by the Executive Director/President of the agency).
